

7-Day Guitar Lessons for Beginners

Day 1 – Getting Started

Goal: Understand the instrument & play your first notes

- Learn parts of the guitar (body, frets, strings)
- How to hold your guitar (sitting/standing)
- Learn string names: **E A D G B E** (low to high)
- Practice tuning (use a tuner app or YouTube tuner)
- Try plucking open strings with a pick or fingers

Day 2 – First Chords

Goal: Play and switch between basic open chords

- Learn: **E minor, C major, G major**
- Practice pressing down properly (fingertips, arch fingers)
- 4-count strumming: Down-down-down-down on each chord
- Switch between Em ↔ C ↔ G slowly

Day 3 – Basic Strumming Patterns

Goal: Learn rhythm and strumming coordination

- Review Day 2 chords
- Learn:
 - Down – Down – Up – Up – Down – Up
- Practice this pattern on G and C chords
- Count aloud: 1 – 2 – and – and – 4 – and

Day 4 – More Chords + Changing

Goal: Expand chord vocabulary

- Add: **D major**, **A minor**
- Practice chord changes: G → D, C → Am
- Use metronome at 60–70 bpm for smooth transitions

 YouTube Video:

Day 5 – First Song

Goal: Play a simple song using basic chords

- Song: "**Horse With No Name**" (Em - D6add9/F#)
- Or: "**Knockin' on Heaven's Door**" (G - D - Am - C)
- Focus on timing and strumming, not speed

Day 6 – Finger Exercises & Clean Fretting

Goal: Improve left-hand strength and accuracy

- Spider Walk (1–2–3–4 across strings)
- Chromatic scale: Frets 1–4 on each string
- Practice with metronome at 60 bpm

 YouTube Video:

Day 7 – Review & Play

Goal: Review and combine all skills into a routine

- Warm-up: Finger exercise + chord switches
- Strumming with a metronome
- Play one of the Day 5 songs
- Reflect: Which chords feel easy? Which need more work?
